

This month I'd like to take the time to talk about a long standing member of the Booster Club and Executive Board Member that was taken way too soon. Kathy was a very caring and generous person to those in need and was our contact who vetted all of the charities that we donate to. She was thorough because she wanted to make sure that the charities were real and giving the aid that was expected. She gave of her time for many things at her church and for the Booster Club. She was already sorely missed at our annual holiday party because she was usually the one who took our charity donations from the party to the proper place. Which wasn't always an easy thing for her as she didn't have a car and took the bus everywhere. But her dedication to charitable causes and people in need was so strong that it was a non-issue. She was goodhearted and most probably is rooting the Sabres on from a different seat now. Kathy, you are missed.
